

HUNTSVILLE PEDIATRIC & ADULT MEDICINE ASSOCIATES

Departing:

Dr. Candace Walkley

Introducing:

Dr. Micah Bosley

Dear Valued Patient,

Dr. Candace Walkley has informed us that she will be leaving our practice to assume a position at the new Sam Houston State University medical school.

Dr. Micah Bosley will join our staff in late January or early February (about the time we expect that Dr. Walkley will be leaving).

Dr. Prier met with and interviewed Dr. Bosley and strongly endorses his addition to our group. It is our expectation that the addition of Dr. Bosley will ensure that we can continue to provide excellent health care for all of our patients.

Dr. Bosley grew up in Sunset, Texas (Northwest of Ft. Worth). He received his B.A. from Texas Tech University and his M.D. from The University of Texas Medical Branch in Galveston, Texas. Dr. Bosley has been Board Certified since 2016. He comes with strong experience and superb recommendations.

Sincerely,

Huntsville Pediatric and Adult Medicine Associates
